The Campus

You can download a Campus Map on our website at: http://www.exeter.ac.uk/visit/directions/streathammap/

Streatham Campus covers approximately 300 acres and is hilly, so we would advise that you wear comfortable shoes and bring appropriate clothing for all weather conditions. The University of Exeter and its partners are already investing more than £275 million in new facilities on the Streatham Campus. You can find out more about the projects at: www.exeter.ac.uk/about/campus/

Please be advised that the building works are extensive and there will be changes to how people move around on campus. Whilst every effort is being made to ensure that this is as easy as possible for our visitors, we apologise for any inconvenience you may encounter during your visit.

Information for your visit

Travel information and Exeter city centre

If you are planning to travel by train, our nearest train station is Exeter St David's which is a 15 minute walk away from the campus. Cross the road at the Pelican crossing outside the station and you will see signs on the lamp posts directing you to the campus. Alternatively you can take the H bus which leaves every half hour from the station to Streatham Campus (ask for Rennes Drive).

Parking on campus is extremely limited and we would encourage you to use public transport.

There are a range of alternative parking arrangements that you may find useful and these will also give you an opportunity to view the city as part of your visit. To find out more about Exeter city centre and the surrounding area, please visit www.exeter.gov.uk/visiting

The campus is a 15 minute walk from the city centre, or you can take the 'D' bus from the High Street to Streatham campus (North Park Road), or to Rennes Drive (number 31) which is the nearest stop to the Business School. The D bus runs every 15 minutes and the journey to campus takes 10 minutes.

If you are intending to come directly to the campus by car, please note that parking on

campus is extremely limited. Please allow plenty of time for parking when planning your visit. Failure to obtain and display a permit may result in a parking fine. Campus car parks are marked on the parking map: www.exeter.ac.uk/visit/directions/carparks/streatham/

Overnight accommodation

During the summer vacation the University is offering competitively priced en-suite accommodation on campus in various Halls of Residence. See the Event Exeter website for further details: http://www.exeter.ac.uk/eventexeter/accommodation.php

For information about hotels and B&Bs in Exeter please contact Exeter City Tourist Information Centre on 01392 265700; email tic@exeter.gov.uk or visit their website: <u>www.exeter.gov.uk/index.aspx?articleid=538</u>

Visitors with disabilities/special needs

We encourage visitors who require special arrangements to contact us on +44(0)1392722529 so that we can plan for your visit. Visitors who have blue badges are able to park on campus in designated areas.
