CAREER OBJECTIVE

To get exposure to the contemporary thoughts and recent research in the field of Financial Economics in particular and social sciences in general and share my experiences and viewpoints with renowned scholars and researchers in the field enabling me to refine my own research and furthering the progress towards providing the society with practicable models that help cure our socio-economic ills holistically.

BRIEF PROFILE

Salman Ahmed Shaikh is currently working as Research Associate at Institute of Business Administration, Pakistan. He is pursuing PhD in Economics from IBA. He also teaches Economics courses at IBA. In academics, he did graduation in Finance with honor Cum Laude from Bahria University and MS in Finance from Szabist, Karachi.

He is a published author with 8 research papers published in local and international journals along with more than 150 research articles published in more than two dozen different magazines worldwide. He has more than 20 citations for his work in research literature.

He has taught courses in Finance at undergraduate and graduate level at various top national universities in Pakistan including IBA, Karachi and Szabist, Karachi. He has supervised 6 Masters Theses in Islamic Finance to date and he is also Referee to two international research journals.

In professional career, he has worked for Meezan Bank, BMC Pakistan (partner of Reuters in Pakistan), Tajweez Advisory, Bahrain, Bankers' Academy, USA and ISMAR Financial. During his career, he has also worked for ABN AMRO and Citi Bank for brief periods.

He also appears occasionally on TV channels and gives his analytical views on Economics & Finance. He was selected as speaker in IFN road show for Islamic Finance and has lectured in various international and national level conferences on Islamic Finance including the inaugural international conference on Islamic Business and Finance held at Riphah International University, Islamabad in February, 2011.
