Fifth annual conference bringing together hundreds of industrial organization economists from all over the world. Held in one of the most scenic coastal cities in the U.S. south, noted for its beautiful architecture and rich history. Papers are invited on all topics and from all perspectives of industrial organization, including antitrust economics and regulation. The program committee is chaired by Ken Boyer, Michigan State University. Program committee includes Patrick Bajari, Richard Chisik, Kenneth Corts, James Dana, Robert Feinberg, Kevin Forbes, Vivek Ghosal, Gautam Gowrisankaran, Joseph Harrington, Thomas Jeitschko, David Kaserman, Francine Lafontaine, John Mayo, Wallace Mullin, Jennifer Reinganum, Mark Roberts, David Sappington, Greg Shaffer, Christopher Snyder, Peter Thompson, Nicholas Vonortas, and Catherine Wolfram.
