Second Summer School Ph.D. Program in Economics and Finance Department of Economics University of Verona Italy "ANTITRUST FOR NETWORKS" June 22 - June 29, 2007, at Alba di Canazei (Dolomites), Trento - Italy Organizing Board: Giam Pietro Cipriani, Emanuele Giovannetti, Diego Lubian SESSIONS 1. Introduction to the new empirical IO 2. An introduction to Network Economics 3. Antitrust for networks 4. Antitrust and Innovation (with network bias) 5. Antitrust in financial networks (Banking industry, Credit cards) The Lecture will be held by Neal Gandal, TelAviv University and CEPR Massimo Motta, European University Institute, Florence, University of Bologna, CESifo and CEPR Giancarlo Spagnolo, University of Rome "Tor Vergata", SITE - Stockholm School of Economics, and CEPR The Summer School is intended for academic, governmental agencies and corporate participants. Participants will have the opportunity to discuss their own research ideas in a relaxed and open atmosphere. Enrolment will be limited to 35 fellows, all of whom will be in residence. We encourage Ph.D. students to submit complete papers or detailed research proposals raising the conceptual and methodological problems they face and that they would like to discuss. Registration fees will be 600 € and include accommodation and meals (half-board) during the school. Ph.D students are entitled to a 70% discount (fees 180 €). Academics are entitled to a 50% discount (fees 300 €). All participants are asked to stay for the entire duration of the summer school (participants will have to cover travel to the conference). The application form should be submitted together with a short CV. A research proposal or completed papers (only in pdf format) can also be submitted. All material should be sent, no later than May 22, 2007 to: ssef2007@dse.univr.it All applicants will be informed by e-mail about their application results by May 31, 2007.
