This is to announce a conference on "Game Theory and its Applications" which will be held in Mumbai, India, from January 8 to 10, 2003 and will serve to launch the Indian affiliate of the Game Theory Society. The deadline for papers is October 30, 2002, though we strongly urge earlier submissions. They should be emailed in pdf format to Nicolas Vieille or Pradeep Dubey We are putting up general information on our website <http://ms.cc.sunysb.edu/~pdubey/Mumbai.html> which is still under construction, but should be complete soon. Thanks to the Indian Hotel Company, who are our main sponsors, we expect to organize accommodation at subsidized (if not zero) cost. They will also recommend travel agents and put together various sight-seeing packages. All this information will be posted on the website soon.
